1.0 Introduction

This Facility Surface Water Drainage Report (FSWDR) for the Pescadito Environmental Resource Center (PERC) has been prepared to meet or exceed the regulations applicable to stormwater management outlined in Title 30 of the Texas Administrative Code (30 TAC), Section 330, Municipal Solid Waste; specifically, Sections 330.63(c), 330.301, 330.303, 330.305, and 330.307.

The various appendices to the Attachment III-C include documentation that the facility design complies with the requirements of 330.303 of this title (relating to Surface Water Drainage for Municipal Solid Waste Facilities). Additionally, a surface water drainage report has been prepared to satisfy the requirements of Subchapter G of this chapter (relating to Surface Water Drainage).
